Adopt-a-Bench at Point Pelee National Park

A personal dedication for all to enjoy

In May 2010, the Friends of Point Pelee launches the Adopt-a-Bench Program to enhance the visitor experience at Point Pelee National Park.

Friends of Point Pelee

Over the life of the Adopt-a-Bench Program, all existing benches at Point Pelee National Park will be replaced and some new benches added along the most popular trails and at favourite nature-watching spots. Celebrate your own connection to the park or honour friends or loved ones by adopting a bench in their name. Each bench will have an individualized engraved plaque.

The locations for all new and existing benches have been identified by Parks Canada staff. Each location has undergone an environmental assessment to ensure the bench will have minimal impact on Point Pelee's fragile ecosystems. Donors will be able to select their preferred location based on a first come, first serve basis.

Two different bench styles are available. A donation of \$2500 will support the purchase of a bench with a back. A limited number of benches without a back are available for a donation of \$1700.

Parks Canada and the Friends of Point Pelee are grateful for the support of the community as we continually strive to balance ecological integrity with visitor experiences at Point Pelee National Park.

How to Adopt a Bench at Point Pelee National Park

1. Complete the attached application and send it to the Friends of Point Pelee along with pre-payment for the bench of your choice.
2. We will contact you to confirm the bench location, bench style and the inscription.
3. It may take several months to install the bench depending on the season of your request. We will keep you updated along the way.
4. A tax receipt will be provided for a portion of the donation (please see application form for amounts).
5. Benches may not be used for advertising or other business promotion; however, businesses may purchase a bench to recognize an individual.
